**2026 members meeting** – to move to next committee meeting

**2027 AGM** – The membership at the recent AGM members meeting voted to move the proposed date of the AGM in 2027 to later in the year. Therefore the committee needed to look at their decision again. We concluded that there was limited availability of a suitable location in October that could accommodate the potential number of motorhomes on hardstanding or that suitable room would be available. Also the booked rallies in October 2027 are not suitable venues for an AGM either because of parking space or room availability so the conclusion of

the committee is that the AGM for 2027 must remain at Wetherby racecourse on Saturday 4th September.

**Accounting Year** This was raised as Sean but has been clarified that the club constitution states that the group accounting year must end on 31st July so we have no choice but to comply with this.

**AOB**

Elaine asked a question about the number of adults in a van and how we charge for extra adults as we give a discount for single members but we don't seem to have any thing in place regarding extra members? this was discussed with no conclusion.
